

WARRANTY

All Artemis Labs, Inc. equipment is covered by a limited warranty against defects in materials and workmanship for a period of 90 days from date of purchase to the original purchaser only when purchased from an authorized Artemis Labs, Inc. dealer only. A further optional limited 5 year warranty is available to the original purchaser only upon proper registration of ownership within 30 days of date of first purchase.

Proper registration is made by filling out and returning to the factory the warranty card attached to this general warranty statement, along with a copy of the original sales receipt as proof of the original date of purchase.

This warranty is provided by the dealer where the unit was purchased, and by Artemis Labs, Inc.. Under the terms of the warranty defective parts will be repaired or replaced without charge, excepting the cost of tubes. Vacuum tubes are warranted for 6 months provided the warranty registration is completed as outlined above.

Customer will be charged for new factory original packaging if customer fails to ship product to Artemis Labs, Inc. in the original factory packaging. After repair, the product will then be returned to customer via prepaid, insured freight, method and carrier to be determined solely by Artemis Labs, Inc.. Artemis Labs, Inc. will not pay for express or overnight freight service nor will Artemis Labs pay for shipments to location outside the United States. Charges for unauthorized service and transportation costs are not reimbursable under this warranty, and all warranties, express or implied become null and void where the product has been damaged by misuse, accident, neglect, modification, tampering or unauthorized alteration by anyone other than Artemis Labs, Inc..

The warrantor assumes no liability for property damage or any other incidental or consequential damage whatsoever which may result from failure of this product. Any and all warranties of merchantability and fitness implied by law are limited to the duration of the expressed warranty. All warranties apply only to Artemis Labs, Inc. products originally purchased from an authorized Artemis Labs, Inc. dealer. Warranties for Artemis Labs, Inc. products purchased outside the United States will be covered by the Artemis Labs, Inc. Importer for that specific country or region. "Grey Market" purchases are not covered by any warranty. In the case that a Artemis Labs, Inc. product must be returned to the factory from outside the United States, customer shall adhere to specific shipping, customs, and commercial invoicing instructions given with the Return Authorization as Artemis Labs, Inc. will not be responsible for transportation costs or customs fees related to any importation or re-exportation charges whatsoever.

Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above exclusion may not apply to you.
